The Routledge Companion to the American Landscape

Edited by **Chris W. Post**, **Alyson L. Greiner** and **Geoffrey L. Buckley**

The Routledge Companion to the American Landscape provides a comprehensive overview of the American landscape in a way fit for the twenty-first century, not only in its topical and regional scope but also in its methodological and disciplinary diversity. An invaluable and up-to-date guide for scholars and graduate students to current thinking across the range of disciplines which converge in the study of place, including Geography, Cultural Studies, History as well as the interdisciplinary fields of American Studies, Environmental Studies, and Planning.
